

Once you have collected in all the money from your fundraising event, you can choose from one of the following ways to deposit it with the charity.

Which ever way you pay your money in, please send your completed sponsor forms with a covering letter so that gift aid can be claimed. Gift Aid is great for charities because for every £1 donated, we will get an extra 28 pence from the Inland Revenue. So, if you donate £10 we get an extra £2.80!
